

## REFERENCE LETTER

Our cooperation with **S.C. HIGH CONSTRUCT INTERNATIONAL S.R.L.** began on December 15, 2010, when we started the works on the structure of the "BARBU BACARESCU OFFICES" on 241-273 Barbu Vacarescu street; beneficiary: "S.C. Exro Development S.R.L".

This project entailed multiple and complex operations which were successfully conducted as part of the execution of the structure. The operations included: reinforcement, shuttering, concrete laying, and stripping of structural elements.

Throughout the project, **S.C. HIGH CONSTRUCT INTERNATIONAL S.R.L.** demonstrated seriousness, competence, mobilization to meet the deadline of the works, all these being possible due to competent management, as well as to the high degree of qualification and experience of the employees.

In light of all these aspects, I strongly recommend this company for the above mentioned types of works.
